

Navigating

Through Direct Access

Here are some easy to follow steps for securely accessing your personal retirement account information online. The screen illustrations on the right are provided for further guidance – simply refer to the Blue arrow if you are a New User or the gray arrow if you are an Existing User.

Getting Started

- Log on to www.usicg.com/sentinel
- Click on the **403(b) Participants** account access button

New User (First time logging into your account online)

- Click on **New Registration**
- Click on First Time User? **Register**
- Enter your Registration ID – Your Registration ID is your Social Security Number with hyphens (e.g. 012-34-5678)
- Click **Continue**
- Enter your Birth Date with slashes (e.g. mm/dd/yyyy)
- Click **Continue**
- Establish your User ID and Password
- Set up your security profile *Note: answers are case sensitive and will be used if you are Locked Out and forget your User ID or Password*
- Click **Submit**

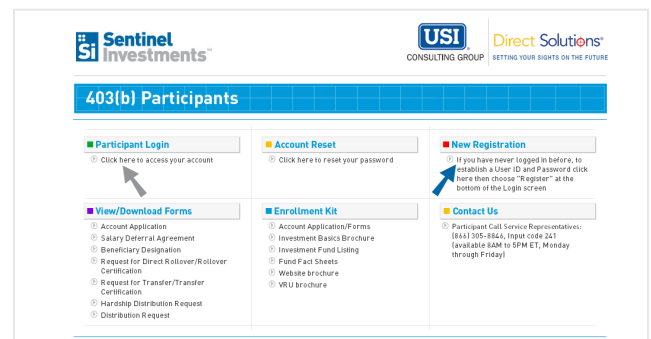

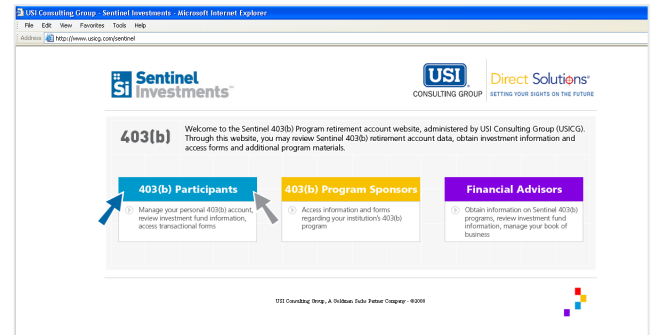

Existing User (Previously logged into your account online)

- Click on **Participant Login**
- Enter your User ID then Password
- Click **Login**

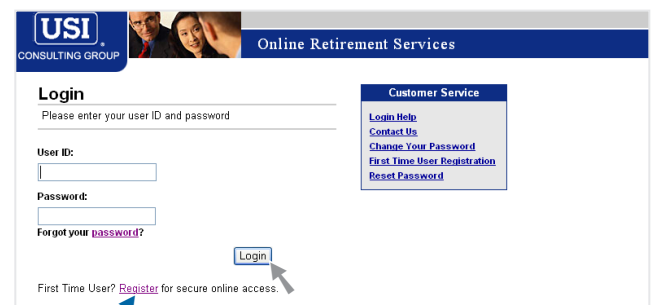

WELCOME!

You have successfully logged in to your account.

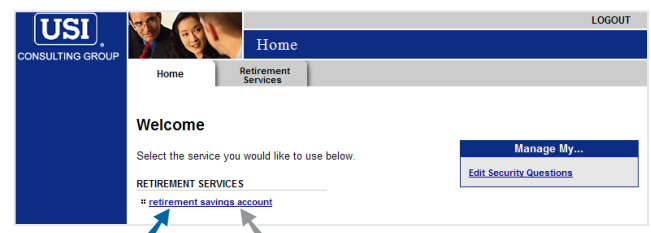

- Click on **retirement savings account** to access your personal account information.

If you need to reset your account click Account Reset

If you know your User ID but not your password, click Forgot Your Password?

Need Assistance?

Call the Sentinel Service Center at (866) 305-8846 and enter code "241" Monday - Friday (8 a.m. - 5 p.m. ET).
